## SING ORFF

### USE YOUR BODY

This Sing Orff letter celebrates the way we can make music using **BODY PERCUSSION**

In Music Generation we don't just use our voices, we use our whole bodies in our music. We always make sure we warm up our whole bodies for class, and we use body percussion and many vocal effects - not just singing - to create lots of different music!

#### THIS WEEK:

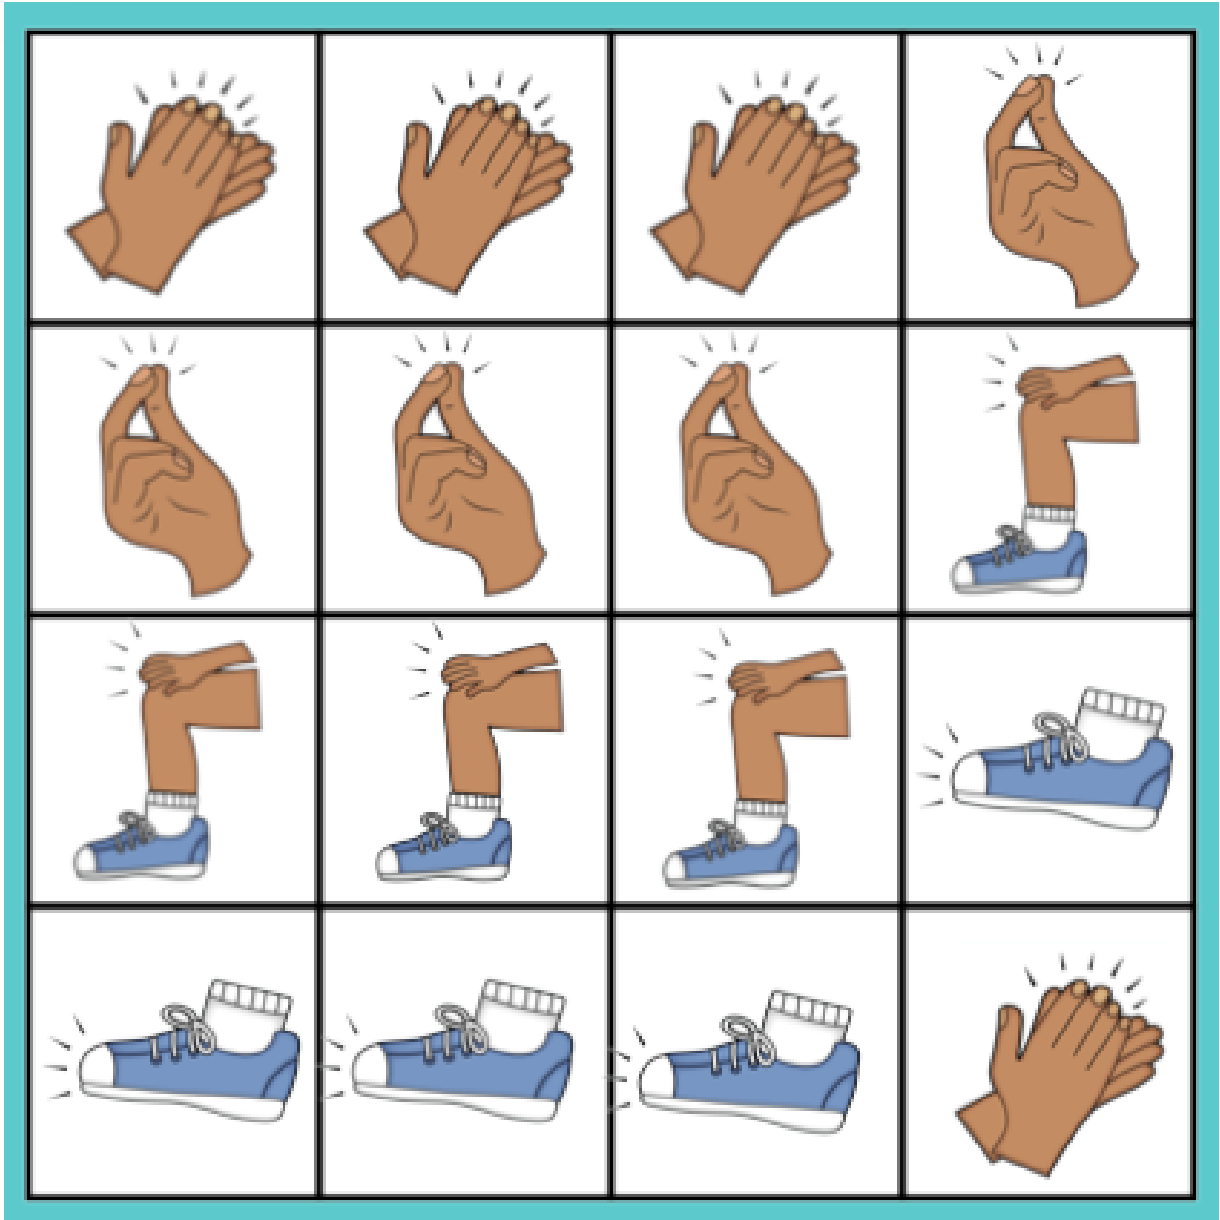

Warm up your body percussion skills with “**Body Percussion Warm Up**” and ‘**Bim Bam**’ with Ali. Marian brings you through the vocal and body percussion groove game ‘**Cookie Break**’, and you can dance and use your bodies with Carrie in ‘**All around the Kitchen**’. The song “**Senua Dedende**” that Elspeth is singing with you also has body percussion in it!

# ACTIVITY

Can you follow this body percussion pattern to a steady beat?

Then, can you cut out the pictures, mix them up and create your own patterns?

Create as many as you like and see which are your favourites!

We really love hearing how you're getting on with music-making at home and hope you enjoy singing with us. Be sure to keep in touch and share with us here what you are up to musically: [musicgenerationcarlow@kcteb.ie](mailto:musicgenerationcarlow@kcteb.ie)

*We hope you will keep singing and moving over the holidays and we look forward to seeing you all soon in September to get back to singing together as soon as possible*
